

Pleasant Street, asked when the construction at Mt. Pleasant and US 61 would be completed. She stated that the construction project was killing her business. She stated that she has contacted the IDOT and they told her to contact the City. The City Manager stated that it was a State of Iowa engineering project. He stated that the City has been told by the IDOT that the project has been delayed due to weather. He urged Lisa Bolander to contact him so he could find out who she spoke to at the IDOT. All present had opportunity speak and nothing

additional was filed in the office of the City Clerk.
