

**Burlington a great place to live, work and play**

- Proud of our past, building for our future
- Community of pride and caring
- Commitment to financial responsibility

**DISCUSSION TOPICS**

As your direct supervisor, what is one thing I could do to better support your success?

---

From your perspective, what is one thing I could do to improve my leadership or the department as a whole?

---

Any improvements which you see as desirable within our department/City, especially changes that would help your job performance and/or improve customer service, efficiency, and communication?

---
