6) SIDEWALK CAFÉ REQUIREMENTS

1. Sidewalk Cafes must be part of an existing business and must be used for purposes allowed in the zoning district where the encroachment will be located.
2. Sidewalk café areas must be contiguous with a side of a building wherein the establishment is located.
3. Sidewalk café hours of operation are limited, typically between 7 AM and 11 PM or, or whenever the kitchen of the adjoining business closes.
4. If permanent improvements are proposed as part of the sidewalk café, the City may require a bond or some other form of guarantee to ensure the restoration of the sidewalk as a condition of lease and/or may require a permanent encroachment.
5. The café owner is responsible for trash removal and shall maintain the area and surrounding 5-feet in a clean and litter free manner during all hours of operation.
6. Sidewalk Cafes may not extend beyond the building line and may not be located on street corners as defined by building lines extending to the street.
7. No blockage of building entrances or exits is permitted in a sidewalk café area.
8. A minimum 5-foot unobstructed sidewalk clearance shall be maintained adjacent to any approved sidewalk café area for public pedestrian use.
 - a. The 5-foot clear distance shall take into account possible intrusions from adjacent angle parking, where a vehicle may overlap the sidewalk when properly parked in a stall.
9. Occupancy limits are determined as set forth in the City building codes.
10. The City retains the right to terminate any sidewalk café agreement after written notice is given to the property owner for reasons including but not limited to: violations of state liquor control laws, violations of any agreements, creating a safety hazard, creating a health hazard, or creating a nuisance.
11. Other Encroachment conditions, requirements, and standards apply as applicable.
12. No barriers shall be required if the applicant proposes to limit the encroachment area and no alcohol will be served.
 - a. Encroachments that serve alcoholic beverages must provide a physical barrier that meets the requirements of this policy and all other requirements of the Iowa Alcoholic Beverage Division.
 - i. Barriers should complement the building façade as well as any street furniture, be somewhat transparent and shall be stable, secure, and able to withstand inclement weather and wind.
 - ii. Barriers shall be capable of being removed during non-use times unless allowed as a permanent encroachment.
 - iii. The height of any barrier shall be a minimum of 3-feet.
13. Removable umbrellas may be permitted provided they do not interfere with street trees, signs, or the required 5-feet of clearance.
14. Sidewalk café shall be located a minimum of 2-feet from any curb line.
